

ADDER'S FORK

#austrianmetal

The project name originates from William Shakespeare's tragedy *Macbeth*.

Official Music Videos:

- [Memorial Ruins](#)
- [The Fatalist \(A Coming Dark\)](#)
- [The Individualist](#)

Adder's Fork has been created to be the platform for my musical ideas, influenced by a wide array of great early goth/post-punk bands like *The Sisters of Mercy*, *The Cure* or *The Sound*. What I'm trying to achieve is a satisfying combination of these unforgettable classic sounds with the hard-hitting elements of heavy metal and its numerous subgenres, creating my own vision of heavy music, which guided me through my life.

Discography since 2012:

- *The Joys of Solitude* (demo)
- *A Farewell to Expectations* (album)
- *The Individualist* (EP)
- *The Fatalist* (EP)
- *A Gathering of Four* (split album)
- *Apparitions* (EP) - **NEW**
